To: Regional Benevolent Foundation
Eastern-European Mission

на

The Ministry of Education and Science is grateful to Regional Benevolent Foundation Eastern-European Mission for the books provided free of charge and hopes for further cooperation.

For participation in the project "School Library" we enclose the information about the network of general educational institutions as of 2007-2008 educational year and information about the students in reference to their language of education.

With respect,
Minister of Education

Y. I. Solovyov
